# BLUEPRINTS to EXCEED Today's Hygiene Standard of Care

FRIDAY, APRIL 8, 2016  
SATURDAY, APRIL 9, 2016  
8:30 AM - 4:00 PM // 7 CEU

Colleen Rutledge, RDH is a dental hygiene consultant, national speaker, and owner of Perio-Therapeutics & Beyond, a unique consulting firm based in the suburbs of Philadelphia, PA providing over-the-shoulder training in contemporary periodontal therapeutics. She is featured in several dental publications including Dental Economics, Dentistry Today, Woman Dentist Journal, and other magazines. Colleen's memberships include Speaking Consulting Network, Christian Dental Society and past trustee for PDHA. Colleen has presented at several major dental conferences such as Greater New York, Thomas P. Hinman and Yankee Dental Congress.

## Dental hygiene practice is changing at an alarming, yet exciting rate.

Meet today's challenges with practical answers based on current research and procedures. This full day course is designed to assist dental hygienists and dentists with unearthing the 'hidden' non-surgical therapy cases that are sitting in your charts! Learn a practical protocol that can be easily implemented for a successful periodontal therapy program.

Don't miss this career-changing course! As Linda Miles says:

*"If your hygiene department is holding you back, make this the year you decide to fix it and reap the rewards for your patients, your team and you. A higher level of quality care and a better net income awaits."*

Following this course participants will be able to:

- Incorporate periodontal diagnostics into existing hygiene department
- Use hands-on technique tips for placing several locally-applied antimicrobials
- Understand the rationale for antimicrobials
- Explain host modulation
- Appreciate the benefits of magnification
- Customize ultrasonic use
- Integrate the latest oral hygiene products
- Benefit from risk assessment and treatment planning exercises

**Exceed today's standard of care while increasing office revenue.**
